Today, certain governments are preparing to let loose atomic war.

They are trying to make the peoples accept it as inevitable.

The use of atomic weapons would result in a war of extermination.

We declare that any government that lets loose atomic war will forfeit the trust of its people and find itself condemned by every people of the world.

Now and in the future, we shall oppose those who organise atomic war.

We demand the destruction of all stocks of atomic weapons wherever they may be and the immediate stopping of their manufacture.

I support this appeal,
