NATAL.

My dear Alan,

The South African Committee for Higher Education which as I think you know is offering bursaries of £100 a year for non-White persons who have gained University exemption in Matriculation, tenable at the Britzius Tutorial College, to study for either the London B.A. or the London B.Sc. Econ., is now properly constituted and we have already had two meetings. I have been asked to be the chairman of the Trustees and the Committee is very anxious that I should be joined with Chief Luthuli and yourself as the other trustees. I should be glad to know as soon as possible if you would be prepared to serve with me in this capacity.

With every good wish for 1960,

Yours very sincerely,

+ Andrew [Signature]

My dear Bishop,

Thank you for your letter of January 6. I shall be very pleased to be one of the Trustees of the funds of the South African Committee for Higher Education. I have no hesitation in doing this because you asked me but I would like to know more about the Committee and its funds.

Yours ever,
