MAFEKING

My dear father

I have this day send a book to Mafeking by the order of the principal Rev. W.C. Willoughby known as the native life on the Transvaal border, it contains some ideal photos and few descriptions of some chiefs. The aim of the principal in giving me this book to send to father Chief J. Molema was that he asks you if you can please manage it to give him any clear photo for chief Montshicoa, he says that he has tried by all means to get one, and could not prevail. I think I have said all with love to my parents

Yours faithfully

John Lestane
