

Press Statement by Robert Sobukwe, PAC President, June 1959 (?) Received by fone.

"Our attention has been drawn to a circular condemning the ANC boycott as hopeless, and purporting to be issued by the Pan-Africanist congress with our slogan and box number on it. We wish to state most emphatically that we are not in any way associated with the circular. It was not our work.

"We have stated time and again that we are not fighting the IWC. Our battle is against White domination. We take serious exception to this attempt to use us in order to split African unity. We are certain though that our people will see thro' this clumsy attempt because similar circulars, purporting to come from the ANC, ~~w~~ were on the streets earlier this week. It is quite obvious that the same people - whoever they might be - have issued this circular."
