Dear Madam,

The End Conscription Campaign (ECC) applied for status as an employer in March 1987. Due to delays in the postal services as well as circumstances beyond our control we have only recently received your communication with us. (dated 30/03/87).

We realise that we made an error in failing to register as an employer prior to 1987. The ECC employed 2 full time workers for the period 1 January 1986 - 31 December 1987. To date we have also not rendered the PAYE for the first 5 months of 1987. We recognise that penalties will be incurred by us but we trust that we can rectify this situation without too severe a penalty being imposed.

At present ECC employs 2 full time workers and 4 part-time workers. Attached is a breakdown of the periods of employment and the conditions of employment as from the 1st January 1986 up until the current period.

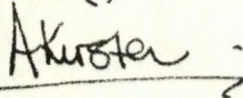

I am still waiting for the tax reference numbers of several of the employees and as soon as this is available I will furnish further details. Due to this delay we have also not yet paid PAYE for May 1987 and hereby request an extension on that payment until 7 July 1987.

I also would request the IRP 5 dockets.

I trust that our situation will be favourably considered.

Thanking you in anticipation.

Yours Sincerely

Adèle Kirsten (ECC National Secretary)

Both above employees were students prior to 1 Jan '86 and were therefore not liable for tax in that period. No directives obtained in error.  
∴ No IRP 5s required for 1986 tax year.

D. Chandler	1 March 86 - 31 December '86	R6000.	No PAYE deducted
L. Nathan	1 March 86 - 31 December '86	R6000	No PAYE deducted

No PAYE was deducted in error. As it was the intention that E.C.C. pay a net monthly salary of R600.00 each, E.C.C. must now pay over the taxes due. Both the above persons were students for the period 1 Jan '87 to 28 Feb '87, i.e. It is inappropriate to use the PAYE tables since this will result in excess tax being deducted. Accordingly, the tax due has been determined from the 1987<sup>IT12</sup> tables as follows.

Salary		6374
Tax @ 16%	1019	
Less: Rebates	<u>645</u>	374
Net Salary		<u>R6000.00</u>

Tax due to the Receiver in respect of the above persons is therefore  
 $R374.00 \times 2 = R748.00$
