Mrs A. Paton,

Kloof,
Natal.

Dear Mrs Paton,

Thank you for your letter of 16th January. The sort of endorsement which we have in mind is this: "The work done by the World University Service for the international student community is something for which I have the most profound admiration. The assistance which it has given and is giving to the South African Committee for Higher Education and to CADET is perhaps what is closest to my own interest. But the other projects of which I have heard are also well worth thile, and I wish them every success.

Alan Paton."

I find it most difficult to put words into Mr. Paton's mouth, but I hope this gives some idea of what we want.

The endorsement may be sent to WUS through this office.

By the way, would you tell Mr. Paton that I was sorry to miss him in Johannesburg? I hope to be able to meet him in the near future.

Yours sincerely,

Jonty Driver

Dear Jonty,

Thank you for your letter to Mrs. Paton in regard to the endorsement which I have now put into my own words as follows:-

The work done by the World University Service for the Student Communities in many parts of the world is of the greatest importance. Nothing does more to build international understanding. We in South Africa are especially grateful to the World University Service for the help it has given to the South African Committee for Higher Education and to the Committee for the Development of Education in Southern Africa. To these two projects which are nearest to us, and to those less well known but no less admired by us I wish every success.

I hope this will meet with your approval.

Kind regards.

Yours sincerely,

LIBERAL PARTY OF SOUTH AFRICA.
