### RE: RECOMMENDATIONS TO THE NEC

The Transvaal Regional Council held its meeting on the 8th September 1984. At this meeting quite a number of issues were discussed and delegates came out with a number of recommendations which I want to bring to your attention.

1. The Regional Council recommends to the NEC that AZASO should have a working constitution for SRCs. This recommendation came after discussions of the problems experienced by some institutions in having democratic SRC constitutions, especially the Colleges.
2. The Regional Council felt that the NEC does not respond to issues, and when it does it is usually after a long time, as evidenced during this very crisis in Education. The Regional Council recommends that the NEC should promptly respond to issues when the need arises; and City Press should be used as it to some extent gives us good coverage.
3. Delegates at the meeting felt that as affiliates of the UDF, we are to an extent to give direction to the UDF. Thus the Regional Council recommends that the NEC should recommend to the UDF that the next campaign to be taken by the UDF should be the Leadership Campaign. This recommendation came after some heated deliberations; and one reason for the Leadership Campaign is that the UDF is just from a successful Million Signature Campaign and an Anti-Election Campaign (Refer to the letter which I wrote to you some times back; the letter is dated 29th August 1984).
4. The Regional Council further recommends to the NEC that the AZASO General Students' Council (GSC) for 1984 should be held in the Eastern Cape.
5. As Turfloop had recommended that the campaign against the rules should be taken up nationally, and the regional Council having realized that the campaign cannot be a success due to the reports that were given by different branches, the Regional Council suggests that the NEC should recommend to branches to do more groundwork so that the campaign can be taken effectively next year. The NEC should also recommend that branches should write fact sheets about the rules so that this can be discussed at GSC.

For reference about all these, I am enclosing the minutes of the meeting of the 8th September 1984, Transvaal Regional Council.

Forward with the Education Charter.
