TROOPS OUT! Hunger for Justice

WITS

We believe that the use of the SADF in South Africa's townships can do nothing towards the establishment of a just peace in our land.

We call for: * the withdrawal of all troops from the townships;
 * the right of individual conscripts to refuse duty in the townships.

We pledge ourselves to a 24-hour fast at some time between 17th September and 7th October as an expression of commitment to the above call.
