Dear Mr Paton

I hope you haven't forgotten our meeting two years ago. I have been anxious to have a further talk with you, partly about Pold Math Press & partly about political developments. I thought that I had read in the daily press that you were giving a series of lectures here, but the Under-Secretary whom I touched down by a previous note has no knowledge of any engagement which should bring you here before I'd known on the 19th of this month. Is there any chance of your being here in the meanwhile? And if there isn't could

you put me in touch with someone in Johannesburg
who can bring me up to date with developments
in your Party. Would Mr Unterhalter be a
suitable person? I was given to understand that
he was Chairman of the branch in this city.

With all good wishes,

Yours sincerely

Dear Sir Andrew,

Thank you for your letter of March 9. It is a pity that I did not know you were in Johannesburg when I was there as I do not expect to be in Johannesburg again for some time - certainly not before you leave.

Mr. Unterhalter is certainly a suitable person for you to talk to in regard to developments.

Best wishes for your return journey.

Yours sincerely,
