PRESIDENT'S REPORT

It gives me great pleasure to present my report to this meeting on the 66th anniversary of the Club.

The past season was certainly not a memorable one for the Club.

The senior soccer team was disbanded after making numerous efforts to keep it going, no Sunday cricket team was affiliated and the effort to affiliate one junior soccer team proved fruitless.

The above is certainly a concern as the core business of the Club to organise sport is proving to be elusive. Our Club is not the only one troubled by dwindling membership and therefore we need to transform our approach - promote rather than organise sport. This is a far reaching approach but I am failing to come up with an action plan to organise or increase the playing membership in our Club.

Promoting sport can be done in a number of ways:

1. Donate R2000 each to ten organisations needing funds for buying equipment or to cover travelling expenses or to attend coaching sessions etc.
2. Fund an existing sports club that has a solid base of junior sports teams but lack finances to move to the next level.
3. Sponsor an individual who has financial difficulty in raising funds to travel locally or overseas to partake in a sports competition.
4. Sponsor tournaments, coaching clinics etc.
5. Join existing sports projects and assist them financially.

The list is endless- we just need to decide whether we want to promote sports in the manner outlined above.

Needless to say we can also hire managers and coaches to run teams under our banner but that requires members of the Club to supervise them. An option worth exploring.

Ironically, with the Confederation Cup and the IPL our Club is in no position to take advantage of the surge of interest in soccer and cricket.

Also nothing stops us from forming table tennis, darts, squash teams as they require smaller number of players.

Courses are also available in respect of score writing, umpiring, coaching, pitch preparations etc. and I encourage our members to grab these opportunities with both hands.

On the sports field the three cricket teams fulfilled their fixtures but did not perform up to their ability. Practise, practise, practise cannot be overemphasised.

The state of the Progress' nets remains poor and the pitch just about playable.

Lastly, my congratulations to all the players for their participation, and a big thank you to everyone for assisting in whatever way in the running of our Club.

As the late SAMORA MACHEL said:

'THE SUCCESS OF THE REVOLUTION DEPENDS ON THE TINY DAILY ACTS OF EACH OF US'.
i.e. the success of the CLUB depends on the TINY acts of each and every one of us.
