Dear Mamie.

I received your letter & the two Snaps which I think are Splendid, that is what I really wanted, I did not want your "Special" photographs taken for me, and if you have not yet sent them you need not do so.

I am surprised that you have not yet got my letter sent through a Comrade, will you ask Roberts, or Semenuff to ring up Centrosoyuz and ask for Comrade "Gubanoff" he promised me to give you the letter. In about 2. weeks time I shall send you with Professor Tahl who is here, and is returning back to London £30 - that will be for 3. months part of my salary. I am sorry you have so much trouble in finding some help and of course meanwhile all your resources will diminish if you have no one yet staying with you. About my coming back, well of course you are silly, I have not yet

Even started seriously to acquaint
myself in all the details of life and
work here, and it is quite out of
the question to think of going any
where as yet.

I was told that the Gerases' have
arrived, but I do not know where
they are, I tried to find out, but
could not find them. Did you not
know that they were coming here?
I am trying again to day to find them.
About Boyanovsky, well there is very
little he can do for me, and I do
not require any thing.

If you can send me my warm
scarf, I shall be pleased, it is
terribly cold already, and though
I am dressed warm, I seem
to feel it, perhaps I am not
acclimated yet, and will get
used to it by and by.

About the childrens' music of course
I have already written & told you

my view. I also would like them to continue but I am so much afraid you will be left without any means. I have not yet started my new work, I am still with Dobroflot there are still many little things left to finish but hope soon to be able to start with the new work.

If you can not find out Comrade Gulanoff and ask him for the letters, I will send you shortly another letter and tell you every thing.

I think I do nothing else but keep writing you, I hope the children help you in the house, if only they did you would of course feel more free and would not need to work so much at home.

Please thank Mr. Radomtzeff for the two journals he sent me I will write him another time I am glad he comes in & keeps friendly. Do you see Semdukoff? Thank Boris Messbaum for regards

I am feeling well in health, and
that is quite a lot, every thing else
comes afterwards.

Well what else can I say?

I am writing so often that I am
afraid I keep repeating the same
things.

Hope you all keep well

other news another time

With heaps of love to you

all
yours as ever
