Dear Comrades

As we all know, in the next nine weeks or so, the South African Government and its allies will be calling on the Indian and Coloured Communities to vote for the new apartheid constitution.

The N.E.C. determined to ensure a maximum boycott of the elections recommends to Regions the setting up of JOINT PLANNING COUNCILS (JPC's). Depending on the conditions in each Region, these JPC's could include fraternal organisations and operate on both street and area basis. The task of the JPC's would be to facilitate effective planning of boycott and to provide a channel for effective out-reach to the masses.

The N.E.C. further recommends that the boycott campaign climaxes with big ANTI-ELECTION RALLIES organised nation wide by the Regions. These rallies should all take place on the 18th and/or 19th August 1984.

The N.E.C. advises that these rallies should be coupled with the celebration of the first Anniversary of the Front as the rallies should take place just a day or two before the date on which the Front was launched.

We would like to request you to discuss the matter in your R.G.C. and set afoot plans for the rallies well in advance to ensure maximum response from our people. It is very important that this event be organised in a big way as it will be the last major activity before the elections, also because it has the potential of shifting both the initiative and the balance of forces in favour of the Front.

We would be grateful if you will from time to time inform the National Office of progress made in this regard. Of course we will also check with you periodically.

Looking forward to that BIG DAY!

Yours in the Struggle

POPO MOLEFE

General Secretary
