Gentlemen,

I sent in my car to be checked, oiled and greased on June 20th., before I left for a trip at the Cape.

I was, however, shocked to find that the gear-box was dry when the car was inspected at Queenstown after doing about seven hundred miles.

I need not tell you that I noticed a great difference in the performance of the car after, it was greased at Queenstown.

Since my return I have paid up for the checking service and greasing.

Dear Sir,

re STAND 260 MARTINDALE.

We have been advised by Messrs. Hayman, Godfrey & Sanderson that the above Transfer has been completed and we have now adjusted your account, in accordance with instructions received from Mr. Godfrey.

We accordingly enclose statements reflecting this adjustment. The first statement in connection with Albertyn reflects his expenses and from the amount due to him, we have deducted £20- which he owes you. We enclose our cheque therefore, and we shall be glad if you will issue us your receipt so that we can furnish same to Mr. Albertyn.

The second statement reflects your account. You will notice that we have credited you with all rents from April to August and debited your account with the additional interest on Albertyn's Bond.

Mr. Godfrey instructed us in this connection and we have further debited you with interest for the period 3rd July to 3rd October on your Bond in favour of Mr. Beall. Our cheque for £6.13. 8. for the balance due to you in terms of the statement is enclosed.

Kindly acknowledge receipt.

Yours faithfully,
WALTER EVANS & VERITY (PTY.) LTD.
