

End Conscription Campaign

Did you know that

.....

.....

Sorry, we can't tell you.

The Emergency Regulations aim to prevent the End Conscription Campaign from raising its central theme: **To Call for an End to Conscription.**

This has however not been our sole concern. Our declaration also calls for "a just peace in our land."

We have:

- shown in our Working for a Just Peace Campaign last year just what we mean by that and what type of alternative national service we have in mind.
- called for the right of conscripts to choose not to go into the townships or into Namibia.
- called for the grounds for conscientious objection to be broadened to include all those who have moral objections to serving in the SADF.

We believe that:

- conscription concerns everybody — the conscripts, their loved ones, and those who live in the townships.
- our country is being dragged further and further into civil war
- political problems can only be solved by political and not by military solutions.

Now more than ever all of us who want a just peace in our land need to stand together and say out loud:

**WAR IS NOT COMPULSORY
LET'S CHOOSE PEACE**

Join us!
